REPORTS

Attorney Stone – nothing to report

City Manager Blankenship – Mr. Blankenship reported staff has been working with Skip Babb and the garden club to do landscape improvements around the swimming pool; the City will fund most of the materials.

Butler – nothing to report

Creech – nothing to report

Adams – Council Member Adams reported a great turnout for the museum BBQ and she was pleased with so many people showing interest in the museum.

Nichols – nothing to report

Police Chief Bolton stated the training program for law enforcement officers is being revamped. Officer Sealy is in charge of training.

Regina Frazier, Finance Director, said the auditors have completed their end of the last fiscal year audit. They are going to be addressing City Council in the next six weeks with the CAFR.

Ms. Frazier said two employees are leaving the Finance Department and two new employees have been hired as replacements. Cameron and Lilly will be joining the City of Umatilla.

Aaron Mercer let City Council know the carvings which have been removed from Cadwell Park are still being worked on for restoration.

Mr. Mercer said the sewer line to Eustis is behind schedule. The line is completed from the Umatilla plant to the Eustis plant but some sections, sidewalk and grading have to be done in order to catch up. There have been delays in getting infrastructure materials delivered to the plant. Every two weeks, meetings are being held with the contractor and FDOT. Up to this point, the project has moved along smoothly.

Mayor Adcock thanked Mr. Newby and the North Lake Outpost for recognition of the Chamber members. The Executive Director of the Chamber has been out visiting businesses to bring awareness to the Chamber. The Board has also put together an action plan to get the membership to be more active.

ADJOURNMENT

With no further business for discussion, meeting adjourned at approximately 6:55 p.m.

DATE: April 13, 2022 **MEETING DATE:** April 19, 2022
SUBJECT: Solid Waste and Stormwater Services Assessment Programs Transitional Services
ISSUE: Consider Proposal from Government Services Group, Inc., Consultant

BACKGROUND SUMMARY:

On December 21, 2022, Resolution No. 2021-28 was approved, electing to use the Uniform Method of Collecting Non-Ad Valorem Special Assessments levied within the incorporated area of the City. Subsequently, the Lake County Tax Collector and the Lake County Property Appraiser offices were notified.

A scope of work and fees required by GSG has been provided for consideration by the City Council. GSG's role would be to assist the City with the transition of the existing special assessment programs to fund solid waste and stormwater services in a manner that is conducive to the imposition and collection of the assessments pursuant to the Uniform Method of collection as outlined in Section 197.3632, Florida Statutes.

STAFF RECOMMENDATIONS: Approval to enter into an agreement moving forward with GSG, Inc. for the provision of transitional services related to the collection of Solid Waste and Stormwater Services through the Uniform Collection Method.

FISCAL IMPACTS: \$14,500

Re: City of Umatilla –Solid Waste and Stormwater Services Assessment Programs Transitional Services

Dear Scott,

This correspondence is written to present a proposal for Government Services Group, Inc. (GSG) to provide assistance to the City of Umatilla (City) and its staff with the transition of the City's existing special assessment programs to fund solid waste and stormwater services to the tax bill collection method for Fiscal Year 2022-23.

Attached as Appendix A is the scope of work and fees required by GSG to assist the City with the transition of the City's existing special assessment programs to fund solid waste and stormwater services in a manner that is conducive to the imposition and collection of the assessments pursuant to the Uniform Method of collection in section 197.3632, Florida Statutes.

The scope of services under which GSG will assist the City is based on the following assumptions:

- GSG will utilize the City's existing apportionment methodologies as the basis for the assessment programs.
 - Solid Waste Apportionment Methodology
 - Residential only
 - Assign 1 billing unit for each dwelling unit
 - City will identify any residential parcels with dumpsters that are not charged (typically multi-family parcels)
 - Stormwater Apportionment Methodology
 - Assign 1 billing unit for each dwelling unit
 - City will provide the number of units for each non-residential parcel.

The City will provide personnel to conduct any field work necessary to ensure complete data for the utility accounts and/or ad valorem tax roll.

For services provided by GSG, we will work under a lump sum professional fee arrangement described in Attachment A. A lump sum method of compensation eliminates any uncertainty in the total fee.

The professional fees required for assisting the City with the transition of the City's existing special assessment programs to fund solid waste and stormwater services to the tax bill collection method for Fiscal Year 2022-23 does not include litigation defense services. However, we do all of our work with an eye on potential legal challenges in an attempt to maximize both the efficiency and the effectiveness of any defense. In the event there is a challenge, we would be available, on an hourly basis, to assist the City in its defense.

Please review the attached scope of services; and upon review and satisfactory determination, please sign where indicated on Appendix A to acknowledge acceptance of the scope of services and to serve as proper notice to proceed. Upon execution, please provide us with a signed copy for our files.

If you have any questions, please do not hesitate to contact me. We look forward to working with the City of Umatilla on this very important project.

Sincerely,

Sandi Neubarth
Assistant Director, Government Services Division

CITY OF UMATILLA
SOLID WASTE AND STORMWATER ASSESSMENT PROGRAMS
TRANSITIONAL SERVICES
FISCAL YEAR 2022-23

Solid Waste and Stormwater Services Assessment Programs

- Task 1: Create Preliminary Assessment Rolls** GSG will create the preliminary assessment rolls for use in the recurring annual assessment programs using the ad valorem tax roll information and the City's existing utility billing databases. GSG will identify unique properties needing further research for inclusion or exclusion on the assessment rolls.
- Task 2: Calculate Preliminary Proforma Schedule of Rates** GSG will calculate a proforma schedule of rates based on the existing apportionment methodologies and preliminary assessment rolls to ensure that the City recovers the costs of: (a) service delivery revenue requirements, (b) implementing the program and (c) collecting the assessments.
- Task 3: Assist With Legal Documents** GSG will advise and assist the City's legal counsel in drafting any required revisions to the ordinances. GSG will also assist the City's legal counsel in drafting initial and final assessment resolutions that conform to the ordinances and that implement the City's policy decisions, proposed methodologies and annual assessment rates.
- Task 4: Assist with Rate Adoption Process** GSG will advise and assist with fulfilling the legal requirements for the adoption of the final assessment rate resolutions and certification of the assessment rolls in accordance with section 197.3632, Florida Statutes, including:
- (a) Produce Notice Rolls and Data Exports** After verification of final rates for the assessment programs, GSG will create the notice rolls by applying the rates to the assessment rolls. GSG will then produce the data exports needed for the production of TRIM notices. Data exports for TRIM notices will be transmitted as necessary to the Property Appraiser's office, per their specifications.
 - (b) Development and Distribution of First-Class Notice** GSG will assist the City in developing the first-class notice and its distribution to affected property owners, if required.
- Task 5: Create Final Assessment Rolls** GSG will update the assessment rolls with any corrections and updates received from the City. Final rates will be verified and extended to the updated data in order to create the final assessment rolls. The final rolls will be provided to the City.
- Task 6: Certify, Export and Transmit the Final Assessment Rolls in Conformance with Uniform Method** Using the final assessment rolls, GSG will prepare export files on compatible electronic medium capable of merger with the ad valorem tax roll files and will transmit the files to the Tax Collector in the prescribed format.

FEES AND COSTS

For the professional services and specialized assistance described in this Scope of Services, GSG will work under a lump sum fee arrangement of \$14,500 of which \$7,000 is for the solid waste assessment program and \$7,500 is for the stormwater assessment program.

The fee for professional services does not include any on-site visits by GSG staff to the City. Any on-site meetings may be arranged at our standard hourly rates provided below. All expenses related to on-site

meetings will be billed in accordance with section 112.061, Florida Statutes. If necessary, in lieu of on-site visits, periodic telephone conference calls may be scheduled to discuss project status.

The standard hourly rates for GSG are as follows:

GOVERNMENT SERVICES GROUP, INC.

Senior Advisor	\$285
Vice President/Managing Director	\$285
Assistant Director	\$235
Project Manager/Project Coordinator	\$185
Database Analyst/Technical Services.....	\$150
Lead Project Analyst.....	\$100
Project Analyst	\$ 90
Administrative Support.....	\$ 75

The lump sum fee does not include the costs of producing and mailing the statutorily required first class notices. Mailing and production costs depend on the number of assessable parcels of property within the assessment program area, but average approximately \$1.44 per parcel. Payment of mailing and production costs is due at the time of adoption of the initial assessment resolution or like document. For non-domestic notices, mailing charges will include the actual amount of postage beyond the domestic rate. Should U.S. postage rates increase prior to mailing, the additional postage per notice will be charged.

The City is responsible for any and all newspaper publications, including, but not limited to, making arrangements for publications and any costs associated therewith.

The City is also responsible for any costs incurred to obtain information from the property appraiser or other public officials that is necessary for the assessment programs.

The City is responsible for working with the Property Appraiser to obtain the necessary information for properties with exempt “home addresses” pursuant to Section 119.071, Florida Statutes.

Please note that GSG works with the premise of developing and implementing assessment programs with an eye on potential legal challenges in an attempt to maximize both the efficiency and the effectiveness of any defense. Nonetheless, the fees outlined above for professional services do not include any provision for litigation defense. Accordingly, in the event there is a legal challenge, GSG would be available, on an hourly basis, to assist the City in its defense.

Highlights

Story & Screening: Help Me Grow Florida, through the Early Learning Coalition of Lake County (ELCLC), presented a developmental milestone screening program for infants and toddlers. Ms. Justine Reina from the ELCLC presented storytime with us and gave patrons activity bags with books and toys and answered parents' questions regarding developmental milestones. On April 15th the library will host a second program, *Books, Balls, & Blocks*. In this upcoming program early education professionals will assess children's development while the children play with toys.

City-Wide Yard Sale: The city collected \$1,291.54 in sales and donations through the City-Wide Yard Sale. There were over 30 spaces rented at the library and over 45 spaces on the city map showing residential yard sales. The 22nd Annual City-Wide Yard Sale is tentatively scheduled for Saturday, March 4, 2023.

Friends of the Library "Junior Friends": The Friends of the Library are sponsoring the Teen Advisory Board as "Junior Friends." TAB are teen volunteers, earning service hours that qualify for Bright Futures scholarships. Teens are encouraged to apply to join TAB this summer. The TAB program provides job skills training. Interested teens are encouraged to apply beginning May 1st. Qualified candidates will be invited to interview for a volunteer position this summer.
